## Department Approved Qualified Inspectors Veterinary Machine Types

**Please Note:** The following is a list of Colorado Registered Qualified Inspectors who are registered as of the date of this report and are approved to perform certifications Veterinary machine types. The list of "Approved Specialties" includes all machine categories the QI may certify. Certification of any fluoroscopic, CT, or therapy radiation machine can only be done by a QI with approval as a Colorado registered RMP. The facility is responsible to schedule their machine certification prior to the expiration date shown on the Blue Certification Label affixed to the machine.
